**AGENDA – VENDORS Meeting**

**Welcome/Introductions**

**New Vendor - Masterpiece Flowers**

**HENRY:**

**Food Safety – PSA ?**

**Required Food Safety document/certificate assuring the sessions have been attended successfully –  
emailed or mailed by April 19, 2019**

**Insurance – make sure the correct current information shows on the document/ certificate**

**Farm Inspections**

**Randomized Farm Visits – take pics and check things out – good marketing opportunity**

**Producers ONLY**

**New vendors/growers – by invitation only – contact Henry or Doug with suggestions in order  
to fill spots appropriately**

**Suggested cheese vendor - ‘Chesapeake’ – from Berlin**

**‘PRODUCERS ONLY’ – what you’re selling is 100% grown/made on land you own or lease – working  
with DE Cooperative for support/info**

**When someone violates this rule, it jeopardizes our relationship with the Town  
and the Market**

**Ex.: sweet corn – if you have it all weeks of the market you’d have to have 10 plantings,  
not just one – indicator that the produce brought to market were not grown by  
the vendor – DE Cooperative Extension**

**Review Rules and Packet – Henry presented major topics from the agreement not limited to the following:**

**Market Open @ 8**

**Tent w/weights**

**Market ends promptly at noon – active sales only afterwards – 12:30 VACATE the market**

**Signage and prices**

**Attendance – communicate with Henry and Doug if need emergency absence**  
**Organic – only Herbs to use the term**  
**Spoiled or raw or may cause a food safety concern – BoD ask to remove**  
**Parking concerns – communicate with BoD member or Henry or Doug**  
**Thank Town of BB for support symbiotic relationship – public works, police, etc.**

#### **Nominations**

**With the board as it is now – we have no openings for the Board**

#### **Parking/Logistics**

**Contact Henry or Doug with comments or needs**

**TFE Permits (Temporary Food Establishment) – deadline... let us know by May 7 (if we need one for the Market – 12+vendors doing samples?) so market can send in the permit – right now... 4 vendors (Mushroom, Honey, Bread, Bennett) NEED certificate sent to Henry/Doug**

#### **Nursery Licenses**

**If you sell a potted plants – form online and free – required by State of DE**

**Missing BBFM materials/forms, etc. – didn't go over this**

**Changes from 2018 Season = 0**

#### **Make Market Better – Suggestions**

##### **Advertising/Promotion**

**Sea Colony Playbook Ad**

**Still researching the BILLBOARD at 17+26**

##### **Web Demonstration – Lisa Missenda**

**Cullen – since 2007 – some kind of recognition**

**COST – exploring grants, etc.**

**Advertising – have a coupon – QR code on ads and on website – click and bring on phone**

##### **Discussion**

**Re: Producer's only – farm visits – contact vendor first – Pride in work – Visits not predicated on wanting to find something wrong – are for the benefit of all vendors that visits support vendors and the market by promoting vendors through real-time images and 'news' and attempting to maintain adherence to the agreement elements**
